REPORT

for the year ending 31st December, 1936.

Submitted at the Annual Court of Governors, February 19th, 1937.

THE Board of Management begs leave to present to the Governors the Fifty-Fourth Annual Report.

The following figures will be of interest to show the work that has been done in the Hospital during the year under review, together with the figures of the previous year for comparative purposes:—

	1935.	1936.
In-patients under treatment ...	1,720	1,749
Number of Operations ...	579	585
Average residence of patients ...	12.5 days	12.87 days
Percentage of Deaths ...	4.53%	4.86%
(Excluding those who died within forty-eight hours of admission percentage of deaths ...)	2.58%	3.14%

Of the 1,749 In-patients treated, 1,601 were discharged cured or relieved; and 63 remained in the Hospital at the end of the year.

Attendances at the X-Ray, Violet Ray, and Massage Departments continue to increase, and considerable benefit is being derived in the health of the patients.

The Receipts and Expenditure for the past two years have been:—

	1935.	1936.
Ord. Income	£8,129 2 1	Ord. Income £8,106 12 7
Extraord. do.	£1,114 5 4	Extraord. do. £3,176 11 0
	<hr/>	<hr/>
	£9,243 7 5	£11,283 3 7
Expenditure	£9,242 7 10	Expenditure £10,202 5 10
	<hr/>	<hr/>
Excess	19 7	Excess £1,080 17 9

The amount received from patients for the past year has been £291/9/8, compared with £259/13/1 in 1935.

The amount recovered on account of Income Tax return is £239/4/0, which includes £104/13/7 refund under Deeds of Covenant.

During the year under review, there have been two changes in the Resident Medical Officers. Miss Cameron resigned, and the Board appointed Miss Hay. On Miss Hahn and Miss Hay resigning, Miss Bruce was appointed House Physician and Miss Cuthbert, House Surgeon.

The Board desires to express its thanks to all subscribers to the funds of the Hospital, and in doing so would ask that consideration should be given to the useful work for the cure and improvement effected in children's ailments.

It will be seen from the summary that the patients from outside Bradford were in hospital 3,796 days, at a total cost of £2,077/9/0 to the institution. The Board believes that if these facts were only known, subscriptions from outside the City would be greatly increased. It is very satisfactory to report that outside support has increased.

The Board of Management also desires to express its hearty thanks to all who have given personal service during the past year; and its special thanks are due to the Hon. Medical Staff for the efficient and loving care that has been shown by them to our suffering little patients, and the Governors will be invited to express their thanks at the forthcoming Annual Meeting.

The Board desires to express its thanks to the Matron and Nurses for their kindly attention to the children, and their work and efforts towards the Hospital services. These are very greatly appreciated.

Special thanks are due to Matron and the Nursing Staff, together with all those who have in any way assisted them in promoting two very successful Dances, with a result that £265 was raised. Four refrigerators have been installed in the Hospital, and are proving most useful.

Messrs. J. H. Behrens, C. A. Gadie and R. Woodhead were elected as our representatives on the Hospital and Convalescent Fund Executive.

Drs. Hamilton and Hayes-Smith, Mr. H. H. Stewart and Mr. Hart were appointed to represent the Medical Staff on the House Committee.

This year, the Board has received from the Bradford Hospital and Convalescent Fund the handsome sum of £3,614/0/2, and, in expressing its thanks for this increased donation, feels that too much praise cannot be given to the workers of this organization and to those who have assisted in the collection of funds.

Mention may be made of the new Contributory Scheme which has just been launched, with the object of obtaining increased subscriptions, so that the heavier expenses of the various Hospitals may be met. The Board desires to assure all those connected with the Scheme of its heartiest support.

The Board desires to acknowledge with sincere thanks the assistance given from the District Hospital Committees, and tender thanks to the following Committees for their donations during the year:—

	£	s.	d.
Shipley and District Hospital Charities Committee (1935 and 1936)	90	0	0
Baildon Woodbottom & District Hospital Committee	20	0	0
The Brighouse Infirmarys and Hospital Committee	70	0	0
The Yeadon Hospital Fund	25	0	0
The Baildon Hospital Charity Committee	30	0	0
The Pudsey Permanent Hospital Committee	66	0	0
The Guiseley Hospital Fund	25	0	0
The Burley-in-Wharfedale Hospital Fund	5	0	0
The Calverley Medical Charities	15	0	0
The Drighlington, Cockersdale and Adwalton Charity Carnival Committee	4	0	0
The Burley Woodhead Hospital Committee	5	0	0
Menston Joint Hospital Fund	3	4	0
The Rawdon Nursing Charitable Purposes Committee	5	5	0

It is a pleasure to report that Committees are endeavouring to pay the cost of patients from their areas.

Christmas.

On Saturday, Dec. 12th, 1936, Mr. Eric Busby together with 'Father Christmas' and his attendant, visited the Wards and presented each child with a gift, which was greatly appreciated. The Board herewith expresses its thanks to Messrs. Busbys' for their kindness.

On December 28th, the Lord Mayor and Lady Mayoress (Alderman G. R. Carter, J.P., and Mrs. Carter)

visited the Hospital. The Lady Mayoress distributed the gifts from the Christmas Tree; Mr. W. H. Thornton undertaking the role of 'Father Christmas.' There was a large gathering, and the event gave much pleasure to the children.

Mr. Reddihough, in thanking the Lord Mayor and Lady Mayoress, said how much their visit was appreciated; he also made a short statement on the work and needs of the Hospital. Alderman Longley also expressed thanks.

In reply, the Lord Mayor expressed his pleasure at being present, and his appreciation of the appearance of the Hospital, and commended the work done. The Lady Mayoress, too, expressed her pleasure and appreciation.

The Board also desires to record its thanks to the Bradford and District Federation of Allotment Associations for the gifts of vegetables, etc., collected and delivered to the Hospital.

The Board is very grateful to many friends who have promoted entertainments, which have been a good source of income to the Hospital, amongst whom should be mentioned The 'Telegraph & Argus' Nig-Nogs and Sunday Concert, Messrs. Busbys' Dramatic Society, The Provident Musical Society, Miss Riches, Mrs. Billson, and many children who have also held small Sales and Concerts.

The Annual Dinner Dance, which was held in February, was attended by 234, and proved very successful, resulting in a balance for the Hospital.

The bedrooms for the Staff in the new wing at Wordsworth House were opened in April by Miss Reddihough, in the presence of a large number of friends. They have proved a great boon, and enabled the Nurses and Staff to be accommodated under greatly improved conditions.

As soon as the new bedrooms were ready and in use, two rooms in the Hospital were converted into Wards for the purpose of placing children when it was thought necessary, under observation, before admitting them into the large wards. This has proved effective in checking infection.

During the year a change over of the position of one of the infants' wards was made, and this has been very beneficial in its results.

Thanks are due to the British Broadcasting Corporation. An appeal for support which was made on Sunday, April 19th, by the Chairman of the Board, Mr. Fred J. Reddihough, had a magnificent response. The sum received was £301/11/0, and a further £428 will be received spread over a period of six years. It has also to thank the Corporation for a further sum of £57/0/10, which was allocated from a General Appeal.

During the year, three Cots have been named. One by Mr. Jonathan Knowles in memory of his wife, who was so long connected with the Hospital; one to the memory of the late Mr. Arthur J. Hill.

The money for the third was raised through the efforts of the Parishioners of St. Clement's Church, who for six years had been working to secure funds; this was accomplished in July, and a cheque was handed over at a Special Evening Service. This is a unique gift, and it is thought creates a precedent in Hospital assistance.

Through the generosity of Mr. J. H. Bates a special lamp has been installed in the Operating Theatre.

During the year, Legacies have been received by the Hospital from the Executors of:—

					£	s.	d.
Mr. Arthur J. Hill	2500	0	0
Mr. H. Harlow	1038	7	10
Mr. Joe Stead	250	0	0
Mr. Hardy Behrens	100	0	0
Mrs. A. Holmes	25	0	0

The Board offers its best thanks for the following generous donations:—

					£	s.	d.
Mr. J. H. Bates	78	3	4
British Broadcasting Corporation	57	0	10
Provident Musical Society	26	5	0
A Friend (per A. W. H.)	25	0	0
Heaton Amateur Operatic Society	15	15	0
Saltaire Conversazione	15	0	0
Mrs. Smithson	10	0	0

and many others of smaller amounts—a full list of which appears in another part of the Report.

It is with deep regret that the Board records its loss through death of Mr. J. E. Rawnsley, who, as a Representative from the Bradford Hospital Fund, rendered very valuable assistance.

Also of Mr. Herbert Gill, J.P., one of the Vice-Presidents of the Hospital, and Chairman of the Hospital Fund for 21 years.

Mr. Gill will be greatly missed by all Charitable Bodies in Bradford.

J. HAROLD LEIGHTON,
Hon. Secretary.

Report of the Ladies' Committee, 1936.

DURING 1936 ten Meetings have been held, there being an average attendance of ten.

Tinfoil.

The amount for 1936 has realised £25/10/3—a slight increase on last year's amount, but the Committee *do* appeal for a larger collection of Tinfoil.

The Needlework Guild has contributed 85 garments, for which the Committee are most grateful.

There has been a considerable increase in the number of visits paid by members of the Committee to the homes of children who have been at the Hospital, and in necessitous cases milk has been given by the Committee, as is customary.

The Committee wish to thank all those who kindly gave toys for the Children at Christmas. The Committee also are most grateful for the gifts sent in response to the appeal in the newspaper, which made Christmas such a happy time for the children.

The distribution of toys from the trees took place on Monday, December 28th, 1936. Mr. W. H. Thornton was once again "Father Christmas."

The Lord Mayor and Lady Mayoress (Alderman G. R. Carter, J.P. and Mrs. Carter) and a large number of friends were present and went round the wards, which were beautifully decorated.
